- Lychee
- Rose petal
- Tangerine
- Kumquat
- Honeysuckle

### Palate:

- Rosehip
- Lychee
- Fussy peach candies
- Grapefruit
- Orange blossom

### Vintage Notes:

2018 started well with average temperatures and bud break right on time. We had a hot, dry beginning to the vintage leading us to believe we were in for an early harvest. A smokey August slowed down the ripening process and September surprised us all with cooler than usual temperatures, slowing things down further while encouraging fresh fruit flavours to develop. October saved the day with warmer than average temperatures bringing the grapes gently to full ripeness.

CASES 194 | CSPC 213523 | ALC. 13.5% | BRIX 25.3  
pH 3.4 | T.A 7.9 | R.S. 7.0 g/L

AGING: LONG, COOL IN 100% STAINLESS STEEL  
PICK DATES: SEPTEMBER 29TH, 2018
